

HLTAID003 Provide first aid Two Day Course

Introduction

Ambition Training is a Registered Training Organisation (RTO code 41312) registered with the Australian Skills Quality Authority. Ambition Training is proud to offer training in Provide first aid.

Course Description

This course provides learners with the skills and knowledge required to provide first aid and is designed to meet the requirements from the HLT Health training package.

Learners will understand how to respond to an emergency situation, apply first aid procedures and communicate the details of an incident to relevant personal. Additionally, you will also recognise the need to evaluate the incident and your own performance

This course is essential for people who are required to be able to provide first aid if an emergency situation arises in the course of their employment, or everyday life.

This course prepares learners to undertake the assessment to obtain a Statement of Attainment in HLTAID003 Provide first aid.

Mode of Delivery

Delivery of this course will be trainer led, face-to-face in a classroom setting combined with skills practice assessment

Assessment Summary

The learner will be assessed by demonstrating procedures applicable to this unit. They will also be required to answer a number of oral and written questions regarding their actions and theoretical application of knowledge. The assessment will also be part of a simulated activity set by the assessor.

This assessment must be conducted by an Ambition Training assessor and must be completed in the workplace or in another environment that accurately simulates the workplace. The assessor is to actively set tasks for the learner and must observe these tasks being performed.

To standardise the application of this assessment, the assessment tasks (required skills and knowledge) are based on those specified in the Unit of Competency, HLTAID003 Provide cardiopulmonary resuscitation and those of the Health Training Package. The assessor will use an assessment instrument mapped accordingly to the assessment requirements of this Unit of Competency. Assessors will apply an

assessment procedure to ensure you are ready for the assessment and have the right resources and equipment to achieve the right standard.

Course Topics

- Recognise an emergency situation
- Apply appropriate first aid procedures
- Perform CPR in accordance with ARC guidelines
