

## RIIWHS204D Work safely at heights One Day Course

### Introduction

Ambition Training is a Registered Training Organisation (RTO code 41312) registered with the Australian Skills Quality Authority. Ambition Training is proud to offer training in Work safely at heights.

### Course Description

This course provides learners with the skills and knowledge required to work safely at heights. This course is designed to meet the requirements from the Resources and Infrastructure Industries training package, RII09.

Learners will understand how to identify industry requirements, work procedures and instructions. Additionally, learners will be able to access and install height safety equipment safely, perform their heights work safely including cleaning up their work area when the tasks are completed.

This course is essential for people who are required to work at heights in the course of their employment.

This course prepares learners to undertake the assessment to obtain a Statement of Attainment in RIIWHS204D Work safely at heights.

### Mode of Delivery

Delivery of this course will be classroom based blended with some outdoor activities.

### Assessment Summary

The student will be assessed by demonstrating procedures applicable to this unit. They will also be required to answer a number of oral and written questions regarding their actions and theoretical application of knowledge. The assessment may be part of a simulated activity set by the assessor.

This assessment must be conducted by an Ambition Training assessor and must be completed in the workplace or in another environment that accurately simulates the workplace. The assessor is to actively set tasks for the student and must observe these tasks being performed.

To standardise the application of this assessment, the assessment tasks (performance evidence) are based on those specified in the Unit of Competency, RIIWHS204D Work safely at heights and those of the RII09 Training Package. The assessor will use an assessment instrument mapped accordingly to the assessment requirements of this Unit of Competency. Assessors will apply an assessment

procedure to ensure you are ready for the assessment and have the right resources and equipment to achieve the right standard.

### Course Topics

- Identifying work requirements including WHS legislation
- Following company procedures
- Accessing and installing height safety related equipment
- Risk assessment and hazard control strategies
- Performing working at heights

### National recognition

On successfully completing the training and assessment you will be issued a Statement of Attainment issuing you the unit of competence: RIIWHS204D Work safely at heights

This unit of competence is nationally recognised and provides individuals with a valuable outcome that can be applied throughout Australia.

RIIWHS204D Work safely at heights (Release 4) is the latest version of this unit

and was released on the 7th of December, 2014.

### Course Commencement Dates

Courses dates and times do vary. Visit [www.ambitiontrainingqld@bigpond.com.au](mailto:www.ambitiontrainingqld@bigpond.com.au) for the latest course information.

### Course Duration and Location

The course is delivered over one day. Training is delivered at the Boyne Tannum Community Centre which is located on the corner of Hayes and Wyndham Avenues, Boyne Island.

### Course Materials

Learner training is supported through the provision of quality learning materials and resources.

### Course Conduct

Learner training is supported through the provision of quality learning materials and resources.

On arriving, learners will complete any outstanding enrolment administration and then participate in group learning activities about the theory of working safely at heights. After lunch we get finish off our theory component and then put what is learnt into practice via our practical component. There is sufficient time over the day for additional one-on-one training for those requiring it. At Ambition Training we provide a friendly and supported environment to learn and achieve.

### Pre-Requisites/Entry Requirements

- ✓ There are no qualification pre-requisites for this course.
- ✓ Learners must be aged 15 years or older
- ✓ Photo Identification is required to be sighted prior to course commencement.
- ✓ Language, literacy and numeracy skills required to interpret legislative requirements and to undertake written and practical assessment activities.
- ✓ All course materials will be provided by Ambition Training.

### **Clothing Requirement**

Learners must wear covered shoes or work boots.

Where a learner does not wear covered shoes they will not be able to participate in the course due to work health and safety concerns.

### **Fees and Charges**

Information about fees and charges is provided in the Schedule of Fees and Charges which will have been included in your pre-enrolment information package. The basic course fees are:

- 1 Day Course - \$169 per person

Please refer to the Schedule of Fees and Charges as it contains important information about related charges and our refund policy.

### **Confirmations**

A learner's position on the course will only be confirmed upon a completed enrolment form and the payment of your course cost.

Numbers are limited, so confirmed enrolments will only be able to attend.

### **Duty Of care**

Ambition Training adopts high standards in duty of care of its learners and instructors. Ambition Training reserves the right to turn anyone away that seems to be under the influence of drugs or alcohol.

This action is to ensure that the learner and instructors safety is assured and that Ambition Training maintains an accident free learning environment and complies with our duty of care responsibilities.

**Ambition Training is responsible for the quality and delivery of training and assessment and will be the organisation issuing any qualifications and statements of attainment to eligible students.**

**This document must be read in conjunction with the Learner Handbook, Schedule of Fees & Charges and USI Fact Sheet.**
